The Philippine Home Economics Association TULONG-ARAL sa KAGURUAN Scholarship Program

The objective of this Scholarship Program is to provide financial assistance to qualified and deserving Life Members of the Philippine Home Economics Association (PHEA) for them to finish their masteral or doctoral in the field of Home Economics or its allied discipline.

Applicants should send a letter of intent to the PHEA President to avail of the scholarship along with the following requirements:

Requirements	Means of Verification
Bonafide PHEA Life Member	PHEA Identification Card
Attended PHEA NC and T for at least three (3) times	3 certificates of participation
Natural-born Filipino citizen	Any official Identification Card
Presently enrolled in Thesis/Dissertation writing	Enrollment form and approved final draft of proposal
With good moral character	Certification from PHEA chapter President/Officer where the candidate is a member
In good health	Latest medical certificate indicating "fit to work" (from school doctor or nurse)
With grades not lower than 2.0 in academic requirements	TOR or certification from the registrar

A scholarship contract will be executed by the applicant with the Philippine Home Economics Association. The financial assistance is for one (1) year only. The scholar must finish the course within a year. If in case the scholar feels that he/she cannot comply within the required period, a written request with valid reason for extension should be sent to PHEA. Failure to submit a copy of the final thesis/dissertation shall compel the scholar to reimburse the amount received as stipulated in the written contract.

The amount of scholarship grant is Php 25,000.00. Php 10,000.00 will be awarded upon acceptance and the remaining Php 15,000.00 will be released upon submission of the final copy of the thesis/dissertation. Only one scholar will be accepted every year. The candidate should come from the region with the highest number of delegates to the PHEA National Conference and Training preceding the application.
