### **Mr. Albert M. Rosarda**

**President, Philippine Home Economics Association (PHEA)**

**14th President, Asian Regional Association for Home Economics (ARAHE)**

On behalf of my fellow Officers, the P.H.E.A. National Coordinators and Apprentices, we would like to thank and congratulate the Home Economists and Allied Professionals from across the country for taking time to join the 75th National Conference and Training which was conducted last October 25 -27, 2024 at the Royce Convention Center of the Grand Astoria Hotel, Zamboanga City.

It is heartwarming to note that even though the world today is very much focused on technology and progress, we continue to pay attention to the family. Let us be constant in our pursuit through research and networking and deepen our ties as well as understand each other's culture. Let us impress upon the global community that no society can achieve progress unless the family is strengthened. Together, let us show the world that as we commit ourselves in facing a Time of Transformation in Home Economics and as we Bridge the Past and Chart the Future, we are upholding the principles of solidarity and professional excellence.

I would like to take this opportunity to announce that we are not going to conduct our 76<sup>th</sup> National Conference in Training on October 2025. In partnership with the Philippine Association for Technology in Home Economics of State Colleges and Universities, Inc. (PATHESCU) and Organization of Technology and Livelihood Education Educators of the Philippines, Inc. (OTLEEP), the Philippine Home Economics Association will be hosting the 22nd Biennial International Congress of the Asian Regional Association for Home Economics (ARAHE). This international congress will be conducted in August 2025 at the Manila Prince Hotel, and we are cordially extending our invitation to you!

## 22<sup>nd</sup> ARAHE BIENNIAL International Congress

7-10 AUGUST 2025 • MANILA, PHILIPPINES

### SECOND CALL FOR ORAL & POSTER PRESENTATIONS!

The Asian Regional Association for Home Economics (ARAHE), through the Philippine Congress Committee, invites its members and conference participants to submit papers for Oral and Poster Presentations.

We welcome recent research outputs that promote the development of the home economics discipline. We especially consider presentations that embody the 2025 ARAHE Congress Theme: **EMPOWERING FUTURE GENERATIONS: HOME ECONOMICS IN THE AGE OF ADVANCED TECHNOLOGY** and the sub-themes.

#### SUBTHEMES:

##### Smart Homes, Smart Families

*Studies on the use of advanced technology from smart kitchen appliances to digital tools such as budgeting and financial apps, AI-assisted wardrobe planning, interior decoration, or nutrition intervention plans among others*

##### Digital Literacy in Home Economics Curriculum

*Integrating technology in HE education that can revolutionize the learning experience from interactive and immersive tools like virtual reality simulations to data analytics for tailoring instruction or research to meet individual student needs*

##### Sustainability and Green Consumption

*Programs, policies, or systems that promote sustainability practices like monitoring or reducing energy consumption, minimizing food waste, managing e-wastes or fostering a generation of eco-citizens*

##### Culture, Values, and Societal Challenges

*Understanding and addressing modern-day societal challenges such as cybersecurity and data privacy that affects a culture, the family life and the dynamics between spouses, parents and children, among siblings, and within one's micro and macrosystems*

## **SUBMISSION GUIDELINES FOR ORAL & POSTER PRESENTATIONS**

Extended abstract of presentations must be submitted in MS Word file.

### **PARTS OF EXTENDED ABSTRACT**

An extended abstract contains more detailed information on the research questions or objectives, the methodology, and results. The major parts include a brief introduction, the statement of the research problem and specific research questions or objectives. The methodology must include a description of the research design, sample and sampling procedure, instrument, data gathering procedure, and data analysis used. Please include information of the research ethic guidelines followed in the conduct of the study. Describe the major results of the study and the answers to the research question or objective. The last parts of the extended abstract are the conclusions and recommendations.

The extended abstract may be up to 300 to 500 (maximum) words. This is to enable a substantial review of submitted papers for presentations. In the Book of Abstracts to be published, however, the abstract will be reduced to a maximum of 300 words.

### **APPLICATION FORM FOR ORAL AND POSTER PRESENTATION**

Download and fill-in the appropriate information in the application form. Download from this link: [https://bit.ly/ARAHE\\_OralPoster\\_Presentation](https://bit.ly/ARAHE_OralPoster_Presentation) or scan the QR code.

Upon submission of application, the official receipt or copy of the ARAHE membership card must be included in the email. For those who are not yet members, you must register as an individual member during the congress and indicate in the application form.

If the paper you are to present is an output of a thesis/dissertation, download and fill-in the Mentor's Statement of Support and include in the submission.
